Community Service:

The Community Service Club has been very active this year as our Community Service Reps, Fatima Rahman, Filza Imran and Nabeeha Mansoor have worked as a very effective team. Their many achievements include the Grammar Aid projects for the flood victims, donation of **Rs.500,000** (Rupees Five Lac) to the Imran Khan Foundation (Seeds of Hope Campaign) and organization of trips for the club to an Old Age House, Thalassaemia Centre etc. They have inspired the students to contribute towards society and the country. Well done Fatima, Filza and Nabeeha.
